

Un Ingrediente...
Una Curiosità: le Nocciole

Per gli antichi romani, le nocciole avevano effetti benaugurali infatti, era usanza regalare una pianta di nocciolo per augurare felicità.

A Special Ingredient: Hazelnuts

The ancient Romans thought hazelnuts brought good fortune, in fact it was customary to give a hazel sapling as a well-wishing gift.

PGI (Protected Geographical Identification) Piedmont hazelnuts are renowned in the confectionery industry for their unique qualities and traits, including their spheroid shape, excellent taste and aroma after roasting, ease of peeling and lengthy preservation. For these reasons they are universally recognized as the best hazelnuts in the world.
